MIDDLE SCHOOL

o Above ALL

Colossians 3:14-15

And above all these put on love, which binds everything together in perfect harmony. And let the peace of Christ rule in your hearts, to which indeed you were called in one body. And be thankful (ESV).

Social distancing. Masks. Quarantine. Words that we do not expect as part of our regular vernacular in middle school. While learning through a pandemic broadened our vocabulary, we also experienced life in ways that will mark our futures. We practiced resilience. We had to work together in order to learn from our classrooms rather than our living rooms. We embraced all the activities we could do knowing

that, at any time, they could be canceled. We played in front of empty stands, performed to spread-out audiences, and learned without study groups.

We remembered that we are to put on love; it should be as noticeable as the clothes we wear. Ultimately, our God was in control of all of it. He always has been, and He always will be. As we look back on our memories of the 2020-2021 school year, we want to remember to be thankful. After all, when we clothe ourselves with love, live in harmony, and have the peace of Christ in our hearts, thankfulness is our only fitting response.
